

Thom Jefferson Style

A Declaration by the Representatives of the UNITED STATES OF AMERICA in General Congress assembled.

When in the Course of human events, it becomes necessary for ~~one~~ people to dissolve the political bands which have connected them with another, and to assume among the powers of ~~the~~ earth, the separate and equal station to which the Laws of Nature and ~~of~~ Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the ~~causes~~ causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, ~~and~~ that they are endowed by their Creator with certain unalienable Rights, that among these are life, liberty and the pursuit of happiness.

Th. Jefferson Th. J.
