July 10, 1781.

Dear Sir,

Your favor of the 20th Ult^o. by Post, came to my hands the evening before I marched for this part of the Country. The attention necessary to these kind of movements occupy all one's time, and must plead my excuse for not answering your favor sooner — I question now, whether I shall be able to write so satisfactorily as I could wish, or as you may expect. —

You must be much unacquainted with the true state of Sheldon's Regiment, and the Mairschau's Corps when you apply to have them sent to the Southward — the first is yet to raise, and the last is about to disband; and besides, is very deficient in Horses, without a State to adopt them, or the means of purchasing. — Sheldon has but 60 Horses in all, and only 25 of these accounted — To the State of Connecticut he looks up for the rest — These Horses are to perform the duties of Expresses — Patroles — and the ordinary duties of the Field; while the Mairschau's Corps consists of no more than abt. 40 men and half that No. of Horses; 12 of which are with me, and from the smallness

of the number are continually on duty — carrying orders to one part and another of the Camp. Judge you therefore of the impracticability of dividing succour from either of these Corps. — Why Moyer's Dragoons are with-held from that service, you must be better informed of than I am. —

I have this instant received your favor of the 3^d. inclosing my old friend Cary's narrative of the transactions in Virginia. — I am happy to find such a spirit prevailing in the County, and thank you for the perusal of his letters as they contain the fullest and most authentic acct. I have had from that quarter. —

I am with much truth

Sir
